2023 Arizona Insurance and Financial Institutions Laws

I. Purpose

The purpose of this section is to summarize the major, newly enacted legislation affecting the Arizona Department of Insurance and Financial Institutions (Department), its licensees and consumers.

II. Scope

This section is not meant as an exhaustive list or a detailed analysis of all Department-related bills and memorials. It generally describes the substantive content but does not capture all details or necessarily cover all bills and memorials that may be of interest to a particular reader. The Department may provide more detailed bulletins related to the implementation of specific legislation.

III. Background

Arizona's Fifty-Sixth Legislature, First Regular Session, adjourned *sine die* on July 31, 2023. Except as otherwise noted, all legislation has a general effective date of October 30, 2023. The following 16 bills and memorials passed during Arizona's Fifty-Sixth Legislature, First Regular Session.

IV. Enacted Legislation

Note: Unless otherwise stated, "Director" means the Director of the Department.

Laws 2023, Chapter 29 (S.B. 1052) – insurance coverage; biomarker testing

Amends A.R.S. §§ 20-1376.10 and 20-1406.10

Excludes limited benefit coverage from a policy issued or renewed by a disability insurer or group or blanket disability insurer for the purpose of providing biomarker testing coverage.

Laws 2023, Chapter 31 (H.B. 2066) – banks; financial institutions; personal information

Adds A.R.S. § 6-129.02

Requires a bank or financial institution to destroy all personal information belonging to a former customer or client within 10 years after the business relationship ends, except as provided by a law that requires a retention period exceeding 10 years.

Protect consumers, provide certainty on regulatory matters, and perform with efficiency and integrity as good stewards of taxpayer resources.

Laws 2023, Chapter 44 (H.B. 2005) – foreign captive insurers; definition

Amends A.R.S. §§ 20-1098, 20-1098.01, 20-1098.08, 20-1098.15, 20-1098.19 and 20-1098.21

Allows an alien captive insurer or a foreign captive insurer to establish business in Arizona and become licensed as a branch captive insurer. A foreign captive insurer that is licensed as a branch captive insurer in Arizona must satisfy prescribed examination and reporting requirements. A domestic captive insurer may merge or consolidate with any other domestic captive insurer, foreign captive insurer or alien captive insurer even if the domestic captive insurer, foreign captive insurer or alien captive insurer was formed as a limited liability company or a stock corporation. Removes the requirement for an alien captive insurer, as a condition of licensure, to consent to the Director's examination of the alien captive insurer's affairs in the jurisdiction in which the alien captive insurer is formed and narrows the types of captive insurers for which the Director may act as the statutory agent on whom any process, notice or demand may be served if the statutory agent cannot be found with reasonable diligence at the captive insurer's registered office. A *foreign captive insurer* is any captive insurer that is domiciled in and licensed under the laws of another state that imposes statutory or regulatory standards on captive insurance companies in that state that are acceptable to the Director.

Laws 2023, Chapter 45 (H.B. 2006) – insurance; liquidity; financial assessment

Amends A.R.S. §§ 20-481, 20-481.03, 20-481.10, 20-481.11, 20-481.12 and 20-481.21

Conforms the insurance holding company statutes to the National Association of Insurance Commissioners (NAIC) 2020 revisions of the Insurance Holding Company System Regulatory Act.

Prescribes requirements that an insurance company holding system must fulfill when filing a group capital calculation report, with outlined exemptions. Prescribes a liquidity stress test framework and requires an insurance holding company system to perform and file a specific year's liquidity stress test in accordance with the liquidity stress test framework's instructions and reporting templates for that specific year, and any Lead State Director or Commissioner determinations. Any information related to the group capital calculation, group capital ratio or the liquidity stress test results or supporting disclosures may not be publicly shared. Modifies requirements relating to insurance holding company system transactions and allows the Director to require an insurer to submit a deposit or bond if the Director deems that an insurer is in a hazardous financial condition, as outlined.

Prohibits the NAIC or a third-party consultant designated by the Director from storing confidential information in a permanent database after the underlying analysis is complete, except as prescribed for the liquidity stress test framework. Modifies the Department's confidential records disclosures by adding third-party consultants designated by the Director to the entities with whom the Director must enter into an agreement to govern the sharing of such information. All documents, materials or other information in the possession or control of the Department that are obtained or disclosed in the course of a filing, examination or investigation are recognized by the state as being proprietary and containing trade secrets.

Laws 2023, Chapter 74 (S.B. 1382) – pharmacy benefit managers; certificate requirements

Adds A.R.S. §§ 20-3333 and 20-3334

Beginning January 1, 2025, requires a pharmacy benefit manager (PBM) to apply and pay a fee to the Department for a valid certificate of authority to operate as a PBM who performs services for a health plan subject to state jurisdiction. A PBM certificate is nontransferable and may be renewed biennially. Outlines PBM certification requirements for the Department and the Director relating to procedures for application, material modification, denial, suspension, revocation, restriction and renewal. A PBM whose certificate is suspended or restricted is subject to monthly civil penalties until the violation is remedied. The Director may revoke the certificate after more than 120 days of operating under a suspended certificate.

Requires the Director to establish a retention schedule for all PBM certification records, books, documentation and other data on file with the Department with which certificated PBMs must comply. The retained records are considered proprietary and confidential and used to ensure PBM compliance. The Director may not order the destruction or disposal of any information that is required to be maintained by law, filed during the Director's administration or kept on file with the Department for less than 10 years.

Laws 2023, Chapter 80 (H.B. 2228) – sales; home solicitation

Amends A.R.S. § 44-5001

Specifies that a *home solicitation sale* is a sale of goods or services solicited by a seller or the seller's representative without prior invitation, appointment or consent.

Laws 2023, Chapter 81 (H.B. 2007) – insurance; group excess liability

Adds A.R.S. §§ 20-1491, 20-1492 and 20-1493

Allows an authorized or unauthorized insurer to offer an employer group excess liability insurance, which provides excess coverage after a certificate holder's primary liability insurance limits have been exhausted. A group excess liability policy may also provide excess uninsured motorist, excess underinsured motorist and excess uninsured or underinsured liability coverage to certificate holders. An authorized insurer that issues a group excess liability insurance policy must file the policy and the certificate of insurance forms with the Department and is exempt from statutory rate filing requirements. An insurer may establish underwriting criteria for the group policyholder and certificate holders that apply at issuance and renewal of the group policy and the certificate of insurance. An insurer must treat all eligible groups of the same class in a like manner. Prescribes certificate of insurance requirements and group policy cancellation, nonrenewal and conditional renewal procedures. An insurer may not disclose claims-related information about any certificate holder to the group policyholder, other than the existence of a claim.

Laws 2023, Chapter 82 (H.B. 2230) – appraiser; claims; time limitation

Adds A.R.S. § 12-531

Requires a person who has a cause of action against a real estate appraiser for malpractice, negligence, an error, a mistake, an omission or a breach in connection with a real estate appraisal or an appraisal-related service to commence the action before the earlier of the expiration of the statute of limitations for the type of claim that is being pursued, if the length of time after the report date to the expiration of the statute of limitations does not exceed four years, or within four years after the date on which the appraisal related-service was performed or should have been performed. The prescribed statute of limitations does not apply to a claim that alleges that an appraiser knowingly and intentionally committed fraud or made a gross misrepresentation when performing a real estate appraisal or an appraisal-related service.

Laws 2023, Chapter 122 (S.B. 1601) – breast examinations; cancer screenings; age

Amends A.R.S. §§ 20-826, 20-1057, 20-1342, 20-1402, 20-1404 and 30-651

Requires a hospital or medical service corporation, health care services organization, disability insurer, group disability insurer and blanket disability insurer that provides mastectomy surgical services coverage to also provide coverage for preventive mammography screening and diagnostic imaging on referral by a patient's physician, including digital breast tomosynthesis, magnetic resonance imaging, ultrasound or other modality and at such age and intervals as recommended by the National Comprehensive Cancer Network, including for patients at risk for breast cancer who have a family history with one or more first or second degree relatives with breast cancer, prior diagnosis of breast cancer, positive testing for hereditary gene mutations or heterogeneously or dense breast tissue based in the breast imaging reporting and data system of the American College of Radiology.

Laws 2023, Chapter 152 (H.B. 2010) – banking; licensing; fees; insurer reporting

Amends A.R.S. §§ 6-123, 6-604, 6-706, 6-707, 6-906, 6-908, 6-946, 6-983, 6-991.04, 6-1405, 20-126, 32-1025, 32-3619 and 32-3652

Specifies that a consumer lender license or premium finance company license or permit that is not suspended, revoked or terminated remains active until the license expires. A consumer lender licensee and premium finance company licensee or permittee must annually apply for renewal, pay the prescribed renewal fee by the applicable due date and, if applicable, pay a \$25 late fee for each day after the renewal due date that the renewal application is not received by the Deputy Director of Financial Institutions (Deputy Director). The holder of an expired consumer lender license or premium finance company license or permit may not be issued a renewal license.

Increases, from two to four, the number of times a mortgage broker applicant may test to obtain a mortgage broker license within a 12-month period. A mortgage broker, mortgage banker and commercial mortgage banker licensee that maintains records within Arizona must make records available to the Deputy Director within three days after demand. Modifies mortgage broker, mortgage banker or commercial mortgage banker licensee business record retention requirements.

Removes the requirement for the Department to prepare an annual report on the medical loss ratio for each Arizona dental insurer. Beginning July 1, 2024, each dental insurer must annually file a dental loss

ratio (DLR) report with the Department that includes a combined DLR percentage for all individual dental policies and all group dental policies issued to fully insured groups. By August 1, the Department must annually post each dental insurer's reported DLRs on the Department's website. The Department must treat all claims, premiums and other data used to calculate the DLRs as confidential.

Allows the Deputy Director to use the Nationwide Mortgage Licensing System for all aspects of licensure. A real estate appraisal licensee or certificate holder may apply for license renewal within 30 days before the license or certificate expires. Removes the requirements for the Deputy Director to collect a \$5 fee for a duplicate property tax agent registration certificate; a notice from a loan originator's employing entity to contain a request for the loan originator's license and be dated, signed and notarized; and the Deputy Director, on receipt of the license request, to forward the loan originator's license to the employing entity. Delays the debt management company license renewal date to June 30.

Laws 2023, Chapter 174 (H.B. 2251) – condominiums; insurance coverage; claims

Amends A.R.S. § 33-1253

Modifies property insurance requirements for a unit owner's association (UOA) by allowing a unit owner to report a loss under the UOA's master property insurance policy. Prior to reporting a loss under the UOA's master property insurance policy, a unit owner must report the loss to the UOA and allow the UOA 10 business days to provide the unit owner with a copy of its written decision on whether the UOA will report the claim to the master policy. If the UOA decides not to report a claim under the master policy, the UOA must provide the reason for the decision. A UOA must annually inform each unit owner, in writing, of the unit owner's responsibility for, and the amount of, the UOA's insurance deductible for all property and liability coverage.

Additional

Laws 2023, Chapter 65 (S.B. 1168) – real estate appraisers; licensure classifications.

Laws 2023, Chapter 95 (H.B. 2255) – funeral practices; transportation protection agreements

Amends A.R.S. § 32-1301; Adds A.R.S. § 32-1378

Specifies that a transportation protection agreement is not insurance and excludes services provided pursuant to a transportation protection agreement from the definition of funeral goods and services. A transportation protection agreement is an agreement that primarily provides or arranges for services related to preparing human remains or cremated remains for transportation.

Laws 2023, Chapter 149 (H.B. 2431) – workers' compensation; firefighters; rate deviation

Session Law

Allows a commercial workers' compensation insurer (insurer) to charge and collect up to \$800,000 in additional premiums from fire districts for COVID-19-related claims costs paid by the insurer before July 1, 2023, to the extent that the fire district obtains reimbursement for the additional premium charges from federal American Rescue Plan Act monies. The additional premiums are in addition to any prescribed rate deviations and experience modifications. An insurer may not include any COVID-19-related claims costs for which the insurer charged additional premiums in any experience modification charged to the fire district. Repeals the authority for insurers to collect additional premiums from fire districts on January 1, 2025.

Laws 2023, Chapter 193 (S.B. 1191) – disbursements; applicability; definition

Amends A.R.S. § 6-843

Adds, to the permissible forms of deposit into an escrow account, distributed ledger technology transfers within or among a secure network of federally insured depository institutions where disbursements are recorded on a ledger and securely deposited in an escrow agent's depository account. Prohibits distributed ledger technology transfers from being settled or backed by a central bank digital currency and prescribes price stability requirements.

V. Memorials

2023 REGULATORY BULLETINS

Throughout the year, the Director issues regulatory bulletins to explain the AZ DIFI's interpretation and application of insurance-related laws or rules, and to provide information regarding regulatory compliance issues or the insurance markets. AZ DIFI did not issue any bulletins between January 1, 2023 and December 31, 2023. Prior year bulletins are accessible from the AZ DIFI website at <https://difi.az.gov/bulletins>.

FISCAL REPORTS

The Department of Insurance is responsible for administering the following funds:

- General Fund: Revenues from insurance premium taxes, fees, assessments, civil penalties, and other sources, summarized on the following page, pay for state government programs and services. The Department's General Fund appropriation, shown in the Operating Expenses exhibit, pays the Department's general operating costs.
- Insurance Examiners' Revolving Fund: This fund recoups expenses associated with examining the affairs, transactions, accounts, records and assets of insurers and other regulated entities. A.R.S. § 20-159(B).
- Assessments Fund for Voluntary Plans: The director may assess insurers authorized to write liability insurance to pay the costs of creating a voluntary plan that provides a mechanism for covering risks for which insurance is otherwise not readily available, and that encourages use of the voluntary insurance market as a condition of placing coverage through the plan. A.R.S. § 20-2201(D). NOTE: Laws 2018, Ch. 279 (SB 1524), § 41 provided that in Fiscal Years 2019 and 2020, the Department of Insurance may use monies in this fund to pay for the cost of administering the out-of-network claim dispute resolution process prescribed by ARS Title 20, Chapter 20, Article 2.
- The Guaranty Funds: Receipts from the estates of insolvent insurers, from assessments levied against solvent insurers, and from investment income, pay appropriate policyholder claims of insolvent insurers in accordance with and as limited by Arizona law. A.R.S. §§ 20-661, et seq., and A.R.S. §§ 20-681, et seq. NOTE: The Superior Court of Arizona determined that the monies held by the Guaranty Funds are not public state funds subject to legislative appropriation, but are instead, private funds held in a custodial capacity for particular purposes by the Guaranty Funds (CV2009-091989: Arizona Property and Casualty Insurance Guaranty Fund and Arizona Life and Disability Insurance Guaranty Fund v. State of Arizona, et al.).
- Insurance Department Fingerprint Fund: Fees collected from license applicants required to submit fingerprint cards are passed through to the Department of Public Safety to pay for state and federal criminal background checks. A.R.S. §§ 20-142(E) and 41-1750(G). Because passed-through funds are not operating expenses, they are omitted from the Operating Expenses exhibit in this report.
- Captive Insurance Regulatory and Supervision Fund: License and renewal fees pay the costs of administering the Department's captive insurance program and for reasonable expenses incurred in promoting Arizona's captive insurance industry. A.R.S. § 20-1098.18.
- Receivership Liquidation Fund: Funds obtained through court orders from the estates of insurers in receivership pay the common administrative costs of the receiverships overseen by the Department. A.R.S. § 20-648.
- Health Care Appeals Fund: Fees levied on health care insurers pay the costs of implementing and maintaining the external independent review process. A.R.S. §§ 20-2540 and 20-2541. An appealing member's health care insurer pays for independent review organizations to review health care appeals involving issues of medical necessity. A.R.S. § 20-2540(B).
- Financial Surveillance Fund: Assessments on specified Arizona-domiciled insurers pay the costs of employing financial analysts who conduct financial surveillance of domestic insurers. A.R.S. § 20-156(F) and (G).
